

ISM PRISM

Labels get put on people by others. Sometimes they fit; sometimes they don't. Prisms show things from different angles; each of us should enter the "ism prism."

ism Labels Impact Perceptions

As BV West students seek to navigate making friends and finding where they belong, students get labeled. Labels can hurt.

12-13

Wild, Wild West

Overland Park's new open carry gun law intrigues student in regard to safety and the 2nd Amendment.

3

Sit Down Sophomores 2.0

Seniors take issue with the behavior of BV West sophomores at assemblies and offer advise on expectations and enthusiasm when it comes to spirit.
